# RAINFALL-FLOODING

## the 8 actions to take

in the event of heavy Mediterranean rainfall

### Stay informed

and listen to the authorities' instructions in the media and on social networks by following the official accounts

### Do not go out in your car and postpone any journeys

### Keep an eye on loved ones, neighbours and vulnerable people

### Keep away from waterways

keep clear of riverbanks and bridges

### Do not go out

Take shelter in a building. Do not take shelter beneath a tree due to the risk of lightning

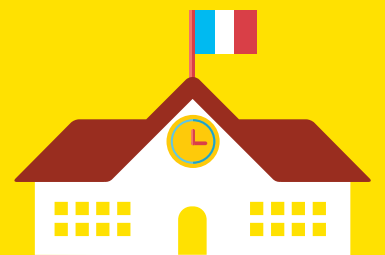

### Don't go down into the basement, take shelter above ground, high up

FLOODED ROAD

### Do not go anywhere in your vehicle or on foot

Submersible bridge, ford, underpass... Less than 30cm of water is enough for a car to be swept away

### Don't go and pick up your children from school

they are safe there
