# RAINFALL-FLOODING

## the 8 actions to take

in the event of heavy Mediterranean rainfall

**Stay informed**  
and listen to the authorities' instructions in the media and on social networks by following the official accounts

**Do not go out in your car and postpone any journeys**

**Keep an eye on loved ones, neighbours and vulnerable people**

**Keep away from waterways**  
keep clear of riverbanks and bridges

**Do not go out**  
Take shelter in a building. Do not take shelter beneath a tree due to the risk of lightning

**Don't go down into the basement, take shelter above ground, high up**

FLOODED ROAD

**Do not go anywhere in your vehicle or on foot**

Submersible bridge, ford, underpass... Less than 30cm of water is enough for a car to be swept away

**Don't go and pick up your children from school, they are safe there**
